In order to receive the exclusion, this claim form must be filed with the All documents necessary to support the exclusion must be filed with t	
completion of the project.	the Assessor by the property owner not later than six months after
The property owner, primary contractor, civil or structural engineer, of the project that are reliable to the project that are relia	
of the project that are seismic retrofitting components, as defined by of the project, the building department shall report to the Assessor t	
components.	the costs of the portions of the project that are seismic retrollting
For purposes of section 74.5	
(1) "Seismic retrofitting components" means seismic retrofitting impro	ovements and improvements utilizing earthquake hazard mitigation
technologies.	
(2) "Seismic retrofitting improvements" means retrofitting or reconstruction of an existing building or structure, to abate falling hazards from structural or nonstructural components of any building or structure including, but not limited to, parapets, appendages, cornices,	
	icture including, but not limited to, parapets, appendages, cornices, r. "Seismic retrofitting improvements" also means either structural
strengthening or providing the means necessary to resist seismic force levels that would otherwise be experienced by an existing building or structure during an earthquake, so as to significantly reduce hazards to life and safety while also providing for the substantially	
safe ingress and egress of building occupants during and immediately after an earthquake. "Seismic retrofitting improvements" does	
	added finishing materials, made in addition to seismic-related work
performed on an existing structure. "Seismic retrofitting" includes, but is not limited to, those items referenced in Appendix Chapters	
5 and 6 of the Uniform Code for Building Conservation of the Inter	
(3) "Improvements utilizing earthquake hazard mitigation technologie	
	uake. These improvements shall involve strategies for earthquake
	gies such as those referenced in Part 2 (commencing with Section
101) of Title 24 of the California Building Code and similar seismic	provisions in the Uniform Building Code.
THIS EXCLUSION EXPIRES UPON CHANG	GE IN OWNERSHIP OF THE PROPERTY.
