FILING OF AFFIDAVIT

This affidavit is required under the provisions of sections 214(g), 214.15, 251, and 254.5 of the Revenue and Taxation Code and must be filed when seeking exemption on low-income housing property owned and operated by a nonprofit corporation or eligible limited liability company. The claimant should provide each household living on the property with a copy of form BOE-267-L-A, Lower Income Households - Family Household Income Reporting Worksheet.

The organization claiming the exemption keeps the completed, signed statements in case of further audit.

<u>Do not submit the worksheets with your filing.</u>

FISCAL YEAR

The fiscal year for which an exemption is sought must be entered correctly. The proper fiscal year follows the lien date (12:01 a.m., January 1) as of which the taxable or exempt status of the property is determined. For example, a person filing a timely claim in February 2015 would enter "2015-2016" on line four of the claim; a "2014-2015" entry on a claim filed in February 2015 would signify that a late claim was being filed for the preceding fiscal year.

SECTION 4C.

Revenue and Taxation Code section 214(g)(1) amended January 1, 2015 states rental housing and "related facilities" is entitled to a partial exemption equal to that percentage of the value of the property that is equal to the percentage that the number of units serving lower income households represents of the total number of residential units. The percentage determined shall apply to the total value of both improvements and land. Identify the number of units designated for use by or serving lower income households and the total number of residential units for the property.

Units Serving Lower Income Households.

Units reserved for lower income households at an affordable rent that are temporarily vacant due to tenant turnover or repairs shall be counted as occupied.

Related Facilities.

Revenue and Taxation Code section 214(g)(3)(B) states "related facilities" means any manager's units and any and all common area spaces that are included within the physical boundaries of the rental housing development, including, but not limited to, common area space, walkways, balconies, patios, clubhouse space, meeting rooms, laundry facilities, and parking areas, except any portions of the overall development that are nonexempt commercial space.
