    - (1) The assessee is an individual owner who does not hold the aircraft primarily for purposes of sale.
    - (2) The assessee does not use the aircraft for commercial purposes or general transportation.
    - (3) The aircraft is available for display to the public at least 12 days during the 12-month period immediately preceding the lien date for the year for which the exemption is claimed. If the aircraft was first made available for public display less than 12 days prior to the lien date, the exemption may be granted if the claimant certifies in writing that the aircraft will be made available for public display at least 12 days during the 12-month period commencing with the first day the property was made available for public display. The claimant shall sign the affidavit, under penalty of perjury. The Assessor may require additional proof of the information or answers provided in the affidavit before allowing the exemption.
