# INSTRUCTIONS FOR COMPLETING THE ANNUAL RACEHORSE TAX RETURN

This return pertains only to racehorses which come within the following definition:

Racehorse means each live horse, including a stallion, mare, gelding, ridgeling, colt, filly, or foal, that is or will be eligible to participate in or produce foals which will be eligible to participate in a horseracing contest in California wherein parimutuel racing is permitted under rules and regulations prescribed by the California Horse Racing Board. The term does not include any horse over three years old, or over four years old in the case of an Arabian horse, which, during the 24 months preceding the current calendar year, has not participated in a horserace contest on which parimutuel wagering is permitted or has not been used for breeding purposes in order to provide racehorses. (See the section on Exemptions and Exclusions at the end of these instructions.)

The following instructions are to be observed in completing the return. They are lettered to correspond with the letters on the face of the form.

# NAME AND MAILING ADDRESS

# NAME (PERSON OR CORPORATION)

If the name is preprinted, check the spelling and correct any error. In the case of a proprietorship, enter that last name first, then the first name and initial. Partnerships, joint owners, and syndicates must list the names and mailing addresses of all partners, joint owners, or syndicate members and attach the list to this form. Corporation names should be complete so they will not be confused with fictitious or DBA (Doing Business As) names.

#### DBA OR FICTITIOUS NAME

Enter the DBA name under which you are operating in this county below the name of the proprietor, partnership, joint ownership, syndicate, or corporation. This may be a ranch or stable name.

#### **MAILING ADDRESS**

Enter the mailing address of the legal entity shown above. This may be either a street address or a post office box number. It may differ from the location of the horses. Include the city, state, and zip code.

#### LOCAL PHONE NUMBER

Enter the local phone number in this county where we may contact you or your authorized representative for information regarding the horses. If there is no local phone number, enter the area code and number and name of the city where you may be called.

### TYPE OF OWNERSHIP

Check the appropriate box. Each different syndicate is a separate legal business entity and must file a separate Annual Racehorse Tax Return for a racehorse or racehorses that it owns as of 12:01 a.m. on January 1. The names of all syndicate members must be included with the return.

#### NAME, ADDRESS, AND PHONE NUMBER (INCLUDING AREA CODE) OF AUTHORIZED PERSON TO CONTACT FOR AN AUDIT

This may be the owner of the business, his or her accountant, or his or her tax representative. Also, enter the street address, city, state, and zip code where the books and records are located; normally this will be the main office located in California, but in some instances it could be a location in another state.

Column A. List by name all racehorses (if a horse is unnamed, so state) which are "domiciled" within this county and owned by you as of 12:01 a.m. on January 1. If you own racehorses, which are domiciled in other California counties, file a separate return with the tax collector of each of those counties (see S2B, instructions for Column G). File BOE-571-J1, Annual Report of Boarded Racehorses, if you boarded racehorses for others at 12:01 a.m. on January 1; a copy of this form will be supplied on request. The domicile of a racehorse is the home ranch or other customary location to which a horse is taken when not breeding or being bred, racing or in training to race. If you do not return racehorses to any such location, their domicile is your own residence whether or not you have facilities for keeping horses at this location.

Column B. Show each horse's registration number. If a horse is not registered, so state.

Column C. State the age of the horse as of January 1 of the current calendar year.

Column D. Show each horse's classification by entering the abbreviation for the category to which it belongs according to the following definitions:

# **EXEMPTIONS AND EXCLUSIONS**
